

Day 2

8AM – Grab a New York Bagel (try the lox and cream cheese for a NY experience (Recommendations: Black Seed Bagel (Nolita), Absolute Bagels and Zabars (UWS), Murrays (West Village), Ess-a-bagel (Midtown)).

9AM – Central Park - You could spend hours wandering through the park, so pick a few spots you'd like to check-out ahead of time (See PDF pg. 17)

12PM – No trip is complete without lunch at a Shake Shack. Head to the original in Madison Square park.

2PM – Visit Top of the Rock or Empire State Building (Top of the Rock is less expensive and you'll get to have the Empire State Building in your photos, but the Empire State Building is a classic sight to see. Both options will provide a great view!)

4PM – Pop into Grand Central Station and look for the whispering gallery. Head back to your hotel to rest and get ready for dinner.

6PM – Book an early dinner since you'll be going to a show.

8PM – Tonight you're going to see a Broadway show (see PDF pg 16)

Post show – Walk through Times Square (Keep your eye out for the Naked Cowboy). There are plenty of nearby options and rooftops for after show drinks.
